

Jan Krul

Dr. J. (Jan) Krul *PHD MSCN* is health and health care scientist and consultant health protection. His initial training is RN, specialized in Emergencies, Mental Health Care and Sports Health. He received his Master of Science degree from the University of Wales, in which he combined health and education at the School of Healthcare Studies, Faculty of Nursing. He graduated his PhD at the Faculty of Medicine of the VU University of Amsterdam.

In service of EducareGroningen he was the pioneer in professional care at public events in the Netherlands and operated as Chief Medical Officer at hundreds of events. He also was medical coordinator at various sporting organizations, teacher at different (health) education staff and crisis management consultant in the UMC Groningen. In 2010 he decided to focus mainly on event care and drug incidents as an independent consultant and researcher and as a teacher / trainer, consultant and case manager in health care. His current activities include:

- Managing consultant EducareGroningen
- Educationalist First Aid Alcohol and Drug Incidents
- Commissioner Healthcare Project Party Safely Celebrate Safe,
- Independent consultant and researcher Public Event Care
- Chairman of the supervisory Unity, National Peer-educating Project Prevention Alcohol & Drugs
- Case manager psychosocial consultation and sports health
- Freelance Healthcare Teacher.

His CV can be found on LinkedIn.
